

Betty Jean Farr

July 24, 1929 - April 28, 2018

Betty Farr, beloved mother, grandmother, and great grandmother died as she lived, simply, quietly, and as a blessing to those around her.

Betty Jean Fish was born in Lebanon, Oregon on July 24, 1929 to Eddie and Hazel Fish. She was a loving and kind sister to Bud (Lester) and Dale (Ernest). As a child, Betty moved several times, until settling on the family farm south of Salem. She graduated from Jefferson High School in 1947. She settled in Portland when she married Bill (Charles) Farr on December 5, 1947. They lived on the Farr family acreage helping and supporting Bill's parents until their deaths. They raised two children Earl and Charlene (married to Bruce). They moved from Portland relocating to Woodburn in 1990. Betty has one grandson, Larry and granddaughter Amy (married to Dan). She has two great grandsons Ethan and David.

Betty loved working in her home garden raising a variety of vegetables and beautiful flowers, as well as camping and hiking in various places in Oregon. She especially loved her vacations at the beach. Walking and biking with her husband Bill brought her great joy. One of her greatest thrills was being the TOPS winner the same year as her mother. Betty was a member of Woodburn Christian Church.

Betty's family and friends will always remember her as a simple, sweet, and strong woman who loved and supported them.

The services for Betty will be held on May 7 at 10 am at Simon-Cornwell Colonial Chapel in Woodburn, Oregon . She will be interred with her loving husband at Willamette National Cemetery at a later date.

“ To my precious Aunt Betty: Tomorrow, July 24, marks your birthday. For the first time, I cannot send you a birthday card. You are very much in my heart and memories. Aunt Betty, you were a teen when I was born. As a baby, I attended your wedding. Throughout my life, you have been a sweet, stable aunt. I am very thankful for all the phone calls and visits we have enjoyed in these years. I am very grateful for the especially loving, prayerful time we had together six days before your passing. You can now celebrate in Heaven. I truly miss you and love you, Aunt Betty! Anita

“ I knew Betty for a short time, where she last lived, but it took just a short time to know she was a precious and loving person and her presence will be missed. My belated sympathy to all of you. Best wishes,

Kay Keyser
Cascade Park

“ Betty was a member of one of Woodburn's TOPS chapters (Take Off Pounds Sensibly) for 10 years, and was honored for being at her goal weight for 6 years. Her beautiful smile and loving spirit will be greatly missed on Tuesday morning. She was an inspiration to everyone and encouraged and supported all of us. She was a wonderful example and we would all do well to emulate that. I will miss her very much.
