“ What a wonderful and kind person Linda was. I (Chris) also worked with her for many years at Partners International and she was such a delightful coworker. Always with a smile and a sunny disposition. I dare say she was one of my favorites. I have not seen her in years but trust that she continued to love Jesus and served him well to the end. I know she will be missed by her family and friends but I for one am looking forward to seeing her smile again someday. May our Lord give peace and comfort to all of those who were close to her recently. He is good and she is healthier and happier than she has ever been! Our God reigns! Chris & Sheila Robinson

“ It's been many years since Linda and I saw each other. We worked together in San Jose in the 'Fourth Street building. I remember Linda as always cheerful and caring, I suspect she continued to be that way even through the physical challenges she faced, and the loss of Ed. May God comfort and restore all the who experienced this sudden loss. Blessings, Lorry Lutz
