“ I love you forever and always shorty, you're never forgotten. I'll never forget our height competitions throughout the years, we would always laugh about it. May you Rest In Peace now and look over everyone. I love you so much and I wish I could go back to those days, you are forever an angel

“ You are so very missed. I would give anything to have you back even if for just one day.
I miss you grandma.
I hope you know how much i love you.
This hurts so bad. Who's going to make it feel better? You're not here to make everything better.
No one can ever replace you Shorty.

Rest easy now grandma. You deserve it. You always worked so hard. You are the rock that held this big family together for so long. It's your time to rest now.
I love you always

Love , Kimberly

“ You were a wonderful Aunt. I wish I had lived closer to have spent more time with you and the family. I will always cherish your letters, which I still have. May God wrap his arms around your wonderful husband and children. Our prayers are with your loved ones.
